DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On April 20, 2018, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that he received an influenza ("flu") vaccination on November 2, 2016, and subsequently suffered a shoulder injury as a result of the flu vaccination ("SIRVA"). Petition at 1. On July 12, 2019, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. ECF No. 35.

On July 23, 2019, petitioner filed a motion for attorneys' fees and costs. ECF No. 39. Petitioner requests attorneys' fees in the amount of \$23,577.00 and attorneys' costs in the amount of \$1,077.19. *Id.* at 1. In compliance with General Order #9,

¹ The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755.

petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. ECF No. 39-4. Thus, the total amount requested is \$24,654.19.

On August 9, 2019, respondent filed a response to petitioner's motion. ECF No. 41. Respondent argues that “[n]either the Vaccine Act nor Vaccine Rule 13 requires respondent to file a response to a request by a petitioner for an award of attorneys' fees and costs.” *Id.* at 1. Respondent adds, however, that he “is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case.” *Id.* at 2. Respondent “respectfully requests that the Court exercise its discretion and determine a reasonable award for attorneys' fees and costs.” *Id.* at 3.

On August 9, 2019, petitioner filed a reply. ECF No. 43. “Petitioner respectfully requests the court to now proceed to a consideration of and decision on the motion.” *Id.*

The undersigned has reviewed the billing records submitted with petitioner's requests and finds a reduction in the amount of fees to be awarded appropriate for the reason listed below.

I. Legal Standard

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. See *Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are “excessive, redundant, or otherwise unnecessary.” *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is “well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done.” *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. See *Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner “bears the burden of establishing the hours expended, the rates charged, and the expenses incurred.” *Wasson v. Sec'y of Health & Human Servs.*, 24 Cl. Ct. at 482, 484 (1991). She “should present adequate proof [of the attorneys' fees and costs sought] at the time of the submission.” *Id.* at 484 n.1. Petitioner's counsel “should make a good faith effort to exclude from a fee request hours that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission.” *Hensley*, 461 U.S., at 434.

II. Attorney Fees

A. Administrative Time

Upon review of the billing records submitted, it appears that a number of entries are for tasks considered clerical or administrative. In the Vaccine Program, secretarial work “should be considered as normal overhead office costs included within the attorneys’ fee rates.” *Rochester v. U.S.*, 18 Cl. Ct. 379, 387 (1989); *Dingle v. Sec'y of Health & Human Servs.*, No. 08-579V, 2014 WL 630473, at *4 (Fed. Cl. Spec. Mstr. Jan. 24, 2014). “[B]illing for clerical and other secretarial work is not permitted in the Vaccine Program.” *Mostovoy*, 2016 WL 720969, at *5 (citing *Rochester*, 18 Cl. Ct. at 387). A total of 3.2 hours was billed on tasks considered administrative. These entries include:

- April 20, 2018 (1.80 hrs) “Prepare DVD’s with Exhibits #3 and #5 for filing and check the content and scan for viruses; prepare the petitioner and exhibits for delivery to the Respondent via Fed Ex”
- July 17, 2018 (0.40 hrs) “Burn two DVDs with Exhibit 3 and 5 on them for respondent”
- September 7, 2018 (0.50 hrs) “Receive 34 faxes from Gottsche Physical Therapy with medical records; work on putting records in order and condensing to one document”
- March 5, 2019 (0.50 hrs) “Assist in preparing the demand letter and attachments”

ECF No. 39-2 at 6, 8, 11 and 14.

The undersigned reduces the request for attorneys’ fees in the amount of **\$240.00**, the total amount of the tasks considered administrative.³

III. Attorney Costs

Petitioner requests reimbursement for attorney costs in the amount of \$1,077.19. After reviewing petitioner’s invoices, the undersigned finds no cause to reduce petitioner’s request and awards the full amount of attorney costs sought.

IV. Conclusion

Based on the reasonableness of petitioner’s request, the undersigned **GRANTS IN PART** petitioner’s motion for attorneys’ fees and costs.

³ This amount consists of 3.2 hrs x \$75 hr = \$240.00.

Accordingly, the undersigned awards the total of \$24,414.19⁴ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Moore, Heffernan, Moeller, Meis, L.L.P.

The clerk of the court shall enter judgment in accordance herewith.⁵

IT IS SO ORDERED.

⁴ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See generally *Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁵ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
